Report scores online by: [http://www.teamplay.ca/volleyball\\_score.html](http://www.teamplay.ca/volleyball_score.html) no later than 24 hours after each game.

Both Captains must confirm and agree on the game score before leaving the field of play.

Ties can happen in the regular season but not in the playoffs.

In the event of a tie in the standings, the higher spirit point average breaks the tie.
